Hi!

You are part of the Financial Peace University (FPU) class at Adult Life Training, Inc. that completed <End>. I would like to know how you are doing. You are welcome to call (260.432.0014 x128) or email (jdnash@alt-fw.org) me if I can help in some way.

We had 49 families register for FPU during year 2020 and 17 fully completed the class. You were able to participate in <Sessions> sessions <Status>. We were able to buy a site license in May of 2020 that allows us to provide the class FREE to anyone who wants to join: our next formal class will start Monday Jan 11 at 7:00PM EDT. If you would like to repeat the class (for free) or just use the Ramsey Membership website tools for a year please email me and I'll send to you the information that you need.

Since our ability to buy a site license again next year depends mostly on local businesses seeing how well we are helping people in our community get stronger financially, it will help us if you can send to me three pieces of data, and a sentence or two about how you feel about your financial future now. The data I would like you to share is the same as we collected in class: # credit cards closed, \$ amount of debt killed off, and \$ amount saved since the FPU class. As before I will not retain any personally identifiable information connected to any data that you send.

If you would like to help us help others, our cost to buy the next FPU site license is a total of \$2,500 and Zoom costs us \$150 per year. You can easily donate with the PayPal button on our web site at <http://alt-fw.org> or checks can be sent to Adult Life Training, Inc., 3301 E Coliseum Blvd, Fort Wayne, IN 46805. On PayPal you can even send a monthly donation by checking the "Make this a monthly donation" box - \$2.00 a month adds up when several people do it!

Thank-you for taking time to help! I hope that you have a Merry Christmas and a Happy and Prosperous New Year.

Sincerely,
