The screenshot shows the LibreOffice Writer interface. The document contains three images of a cross-section of a fruit, each with a color-coded overlay. The top-left image is labeled 'top left image' and has a red border. A context menu is open over this image, showing options like Cut, Copy, Paste, Points, Rotate, Position and Size..., Line..., Area..., Anchor, Wrap, Align, Arrange, Flip, Remove Text Box, and Insert Caption... The other two images are labeled 'description'. The Properties sidebar on the right shows the 'Area' and 'Line' properties for the selected image. The status bar at the bottom indicates 'Page 1 of 1', '8 words, 69 characters', 'Default Style', and a zoom level of '100%'.
