**This is the Red Hat Printtool
PostScript Test Page (A4)**

**This logo has a red hat, so
if your printer is configured for
color it should be red!**

**Here are some other colors; they
will appear as greys on a B&W printer...**

Blue Red Yellow Purple Brown Gold Cyan Green

**The boxes bordering this page
are spaced at 1cm and 2cm
from the sides of the paper.**

**It is not unusual for the 1cm bottom margin
not to show. Many printers cannot
print that close to the bottom of the page.**
